### 2. Minutes and matters arising

- i. **Fund-raising:** Thanks to KW and SG for organising the Christmas lights. It was decided not to ask local traders to contribute to costs last year due to the current challenging situation.
- ii. **Survey:** The top 2 concerns are:
  1. Broadband, WIFI and mobile signal
  2. Anti-social behaviour.
- iii. **Broadband, WIFI and mobile signal:**

Broadband: most cabinets do not have capacity for fibre  
Mobile: O<sup>2</sup> mast has not progressed.

Wi-Fi: supplier supplied Windsor and Maidenhead at a very good price, benefit to them is the access to our data and being able to advertise Windsor, Maidenhead and Eton as a customer.

#### Q&A

1. David Waddleton, resident in the High Street stated that BT provides superb signal.
2. How soon is the broadband survey?

- Survey is imminent and then ML will investigate processes to complain and improve; survey will within 2 weeks, placed into Shoutout (weekly e-newsletter) and will list an app to measure signal.

3. Eton Riverside Residents Assoc are investigating Community Fibre Partnership.
4. Meeting discussed whether to involve our MP; it was recommended to do so to raise awareness and correspondence will be sent as soon as possible.
5. Cllr SR informs about government grants which may help, indicating that the budget includes £125k for work on the High Street.

**Action:** Give Community Fibre Partnership and Oxford info to RR and LB

Elizabeth McMahon

iv. **Anti-social behaviour:**

Presentation recently given to Eton Town Council includes the Brocas and cycling the wrong way down the High Street.

Proposal is to raise funds to (with police support) use contractor resources for facilitate behaviour change - ECA to take proposal to next Eton Town Council meeting.

Discussed road "furniture" options to inform cyclists. Current level of signs unfortunately is already within legal capacity.

**Action:** E-mail fund-raising ideas to [chairman@etoncommunity.co.uk](mailto:chairman@etoncommunity.co.uk) and/or to [secretary@etoncommunity.co.uk](mailto:secretary@etoncommunity.co.uk)

David Waddleton very grateful for RBWM grant and is happy to pass some of this on.

**Action:** After April, consult traders about resuming the annual request for donations to ECA. RR

## 5. Potential events

- i. 11<sup>th</sup> October 2020 (Sunday) was most recent litter pick. Many residents are picking up litter as they go walking. E-mail [secretary@etoncommunity.co.uk](mailto:secretary@etoncommunity.co.uk) to borrow litter-picking kit.

- iii. Anthony Cove reports that the council is doing a very good job regarding the graffiti. There is a problem area under one of the arches where people gather, sitting on stones and leaving litter. Moving the stones might deter this.

- ii. Parking ticket machines removed; RR reports that some had stopped working, so a working machine will be relocated to outside of St. John's church. Over time, RINGGO will take over payments.
